

FOR SALE - \$6900.00

American built Trophy Kart (much stronger than the kiwi built versions) ready to race with your local offroad club or to have on the farm for the family. This is my 9 year old sons truck however I am 6'3" and I can fit in it and drive it also. It is currently running electric start 250cc water cooled 4 stroke engine with a 5 speed gear box. It also comes with 2 spare 200cc motors, a spare set of wheels, 2 spare sets of tyres, bumpers and a whole lot of extras such as sprockets etc. A great way to get kids into offroad racing or motorsport in general. Viewing in Coatesville.
